

Greek Row Movers - Liability Waiver (Labor-Only, Arizona)

This Liability Waiver is an agreement between Greek Row Movers (the Company) and you, the Customer. By booking and clicking 'I Agree' online, you acknowledge and accept the terms below.

1) Scope of Services

We provide labor-only moving services such as loading and unloading. We do not transport goods and do not own or operate vehicles. You are responsible for transportation, securing loads, and insuring any truck, trailer, or container.

2) Insurance

We carry general liability insurance for bodily injury and property damage that occurs during our services. This coverage does not extend to cargo once it leaves our possession or while in vehicles we do not own or operate.

3) Exclusions

We are not responsible for: (a) cash, jewelry, documents, fragile items packed by you, plants, pets, perishables, or items of extraordinary or sentimental value not disclosed in writing; (b) damage caused by poor packing or insufficient protective materials; (c) items shifting during transit; (d) ordinary wear such as small scuffs or scratches.

4) Customer Responsibilities

You must let us know about fragile or high-value items in advance, properly pack and secure all property unless you hire us for packing services, and provide safe, legal access at all locations.

5) Valuation of Goods

Unless agreed otherwise in writing, our maximum liability is limited to sixty cents (\$0.60) per pound per item. This is a valuation limit, not insurance. You may purchase additional coverage separately.

6) Access & Safety

We may refuse to move items where access is unsafe, such as unstable stairs, structural issues, or other hazards.

7) Release and Hold Harmless

You release and hold harmless Greek Row Movers, including its owners, employees, and contractors, from claims beyond what is outlined in this waiver and our insurance coverage.

8) Dispute Resolution and Governing Law

Disputes will first be addressed through good-faith discussions within 14 days. If unresolved, both parties agree to binding arbitration in Maricopa County, Arizona under the rules of the American Arbitration Association. Arizona law applies.

By booking and selecting 'I Agree' on our website, you confirm that you have read, understood, and agree to be bound by this Liability Waiver.
